Age 8+

5-10m

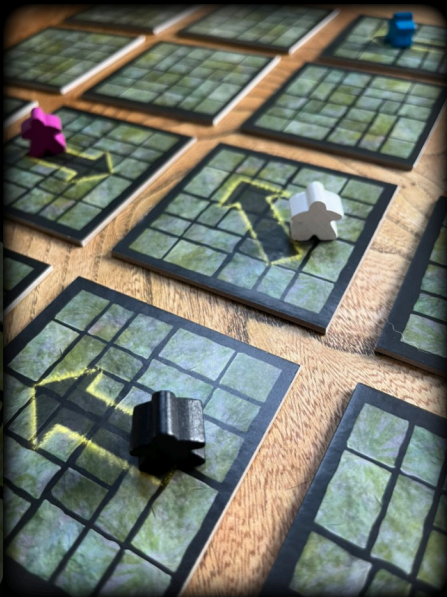

2-4 players

Game Overview

Step into a quick-fire game of strategy and memory!

Flip over hidden tiles in a mysterious grid to reveal secret arrows that chart your next move. But here's the twist: once you move, the clue is concealed again, forcing you to remember the path and plan your route carefully. Can you navigate your way across!

- Fast Gameplay
- Simple to learn
- Difficult to master

- Strategic Route Planning
- Dynamic Board State
- Multi-player interaction
- Memory challenge

Features
